

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF AQUA/KWS, INC.     )	
FOR A DEVIATION FROM COMMISSION     )	CASE NO. 95-346
REGULATIONS REGARDING METER TESTING   )	

O R D E R

IT IS ORDERED that the Aqua Corporation/Kentucky Water Service Company, Inc. ("Aqua") shall file the original and 12 copies of the following information with the Commission no later than September 14, 1995 with a copy to all parties of record. Aqua shall furnish with each response the name of the witness who will be available for responding should a public hearing be required in this matter.

1. Concerning Aqua's request for permission to deviate from PSC Regulation 807 KAR 5:066, Section 15, provide the basis for requesting the deviation and explain exactly what relief is requested.

2. Provide construction cost estimates for propeller and transit-time flowmeters.

3. Provide a copy of the AWWA specification and the manufacturer's specification for the proper installation, testing, operation, and maintenance of the transit-time flowmeter being proposed.

4. Describe how and where the transit-time flowmeter will be installed in the plant.

5. What is the expected life for the meter in this installation?

6. Provide a list of facilities in which potable water is treated or pumped where this type of transit-time flowmeter is being used.

Done at Frankfort, Kentucky, this 5th day of September, 1995.
